

# BTEC Health & Social Care.

**KS3** – You have already gained many transferable skills from other subjects. PD – resilience, mental health and wellbeing, Healthy active lifestyle, diet and exercise, relationships. Science – Development stages, factors affecting health. English – Development of command words, explain, describe, analyse. Essay construction, reading and annotating text. Maths – data handling. P.E – Health and wellbeing.

The three-year Journey Starts... During year 9 you will further develop all the skills learnt in KS3 whilst acquiring knowledge required to complete the course, by undertaking small topic projects.

Enrichment: A variety of speakers will visit lessons. Students will become Dementia Friends
