

With regards to homework frequency, there is the following expectation:

Key Stage Three:

English, Maths, Science, French, Geography, History and RE will set homework weekly.

Art, DT, Drama, Music and ICT will set homework fortnightly.

Key Stage Four:

All subjects – once per week.

Please note that the above is a minimum expectation.

Please ensure that the homework timetable is adhered to as this supports students in managing their time, and staff workload. The homework timetable will be shared with parents / carers.

All homework must provide a level of challenge. There is the expectation that to complete homework well in each subject, time and effort needs to be applied. Homework tasks of bring in, research with no guidance, print out, think about, list and colour in **should not be set**.

Where revision is set as homework, staff must be clear on the content of the revision. There should also be examples and guidance provided on how pupils could revise the specified content.

Homework should be placed on Microsoft Teams.

Guidance on how long a homework task should take:

Year 7, Year 8 & Year 9 - approximately 30 minutes

Year 10 and Year 11 – anywhere between 45-60 minutes

The presentation of homework should follow the same standard as classwork.
